**Department of Mathematics**

**Seminar on PDE**

**Regularity of Navier-Stokes and related  
models**

**By**

***Dr. Hyunju Kwon***

***The University of British Columbia***

**Abstract**

I will explain some recent regularity estimates on some weak solutions for Navier-Stokes and related models.

**Date : : Wednesday, 28 November 2018**

**Time: : 10:30 a.m. – 11:30 a.m.**

**Venue: : Room 3472, Academic Building,  
HKUST (Lifts 25, 26)**

***All are welcome!***
