LG mirror theorem via wall-crossing (I & II)

by

Prof. ZHOU Yang

Shanghai Center for Mathematical Sciences

Abstract

We will discuss how to use wall crossing formulae to prove mirror theorem for Landau Ginzburg spaces.

Date : 11 November 2024 (Mon, Part I)

13 November 2024 (Wed, Part II)

Time : 10:30am – 11:30am
