SEMINAR ON PURE MATHEMATICS

Stokes Matrices and Quantum Groups

by

Dr. Qian TANG
The University of Hong Kong

Abstract

In this talk, I will introduce the definition of Stokes matrices and establish their connection to the corresponding quantum groups through the representation theory of the Lie algebra gl_n.

Date : 9 May 2025 (Friday)
Time : 3:00p.m.-4:00p.m.
Venue : Room 5506 (Lift 25/26)

All are Welcome!
