SEMINAR ON APPLIED MATHEMATICS

Quasiperiodic Schrödinger operators II: dynamics

By

Prof. Jiangong YOU
Nankai University

Abstract

In this lecture, I will present methods for proving both localization and delocalization in quasiperiodic Schrödinger operators by some typic examples.

Date : **21 January 2026 (Wednesday)**

Time : **4:00pm - 5:00pm**

Venue : **Room 4472 (Lift 25/26)**

All are Welcome!
