

HKUST courses for SOA preliminary exams

For those students who would like to take SOA preliminary examinations in future, the following courses may be useful for preparing these examinations:

Examination	Useful Courses
P	MATH2411 and MATH2421
FM	MATH2511 and Topic 1 of MATH4512
FAM	MATH4427, MATH4429 and MATH4513
ASTAM	MATH4427 and MATH4429
ALTAM	MATH4513
SRM	MATH3423, MATH4432 and MATH4515

*Note: Please note that these courses only covered majority of contents (but not all) required in the SOA exams (available in SOA official website). Students are advised to check the syllabus of the SOA exams before taking the preliminary exams.

Study advice for students who would like to start SOA exams

We recommend students to complete Exam P (Probability) and Exam FM (Financial Mathematics) during their year 2 Summer or year 3 Fall. On the other hand, we recommend students to complete at least 1 of Exam FAM, ASTAM, ALTAM, SRM before graduation.
